

## 2018-2019 Extended Care Registration Form

Trinity Christian School, 100 Maple Avenue, Keene, New Hampshire 03431 (603) 352-9403 <http://tcskeene.com>

To help our school students' parents, our Extended Care provides student care and supervision in the hours before and after the 8:20 am – 3:10 pm regular school hours:

During the morning sessions, students may eat snacks or breakfast food the parents bring for that day. The children may play some games, read, talk, and prepare for the school day. At 8:20 am they are dismissed to classes.

During the afternoon sessions, students have a break time to play outside or in the gymnasium, depending on the weather. They have a Quiet Time to allow students to read or do homework, and they have an indoor time to choose their own free-play activity or a project organized by the extended-care supervisors.

We want to enable students to exercise, develop positive social habits, and complete some of their classwork assignments.

To register: sign, detach, and submit the bottom portion with a \$30 check the first day they use the Extended Care service. The fees will be charged the month after they use the service.
