

January 24, 2019

Dear TCS Parents,

Monday, January 28, we begin Trinity Christian School's 2019-2020 enrollment period.

Trinity Christian School partners with you to help your children grow in their faith, and Trinity surrounds your children with a loving atmosphere of educational excellence. The Christian values that you strive to teach your children at home are reinforced in our classrooms. As the world teaches our children all that is contrary to God and His will for our lives, isn't it comforting to know your children are strengthened in their faith walk each day and provided a superior education?

Again, we are offering an early-enrollment discount. Those families who are reenrolling between February 1 and March 4, 2019, will receive a 10% tuition discount. Your early reenrollment helps us plan for next year. We are saying, "Thank you," with this discount.

We are also blessed with donor gifts that allow us to offer the loyalty scholarship in 2019-2020. This gift has been provided for several years but is not a guaranteed each year. In addition, reenrollments to 2nd or 6th grades can receive TCS Loyalty Scholarship tuition grants:

1. Reenrollment students who attended 1st grade at TCS receive a 2nd grade tuition grant. (This could be partial tuition, depending on the number of students and funding that year.)
2. Reenrollment students who attended 4th and 5th grades TCS receive a 6th grade tuition grant. (This could be a partial tuition, depending on the student number and current funding.)

The Loyalty Scholarship does not cover the registration or technology fee.

You can secure a place for your child by returning the registration form with the required registration fee to the school office. Once you have fully registered your child for the next school year, you will have access to a FACTS financial assistance packet. Those families with financial need may fill out the FACTS form and be eligible for financial assistance. Please apply online at www.online.factsmtg.com. Applicants pay FACTS a \$35.00 fee. If you require assistance with the online FACTS form, please contact Ms. Curtis or me in the school office.

We are committed to providing an excellent Christian education that families can afford. Over the years, our Trinity donors have supported our families very well. We value you and all the blessings the Lord has provided.

If you have any questions about the registration process, please contact Ms. Curtis or me at the school office at 603-352-9403. We look forward to continuing our relationship through Christian education, ministry, and care with your family.

In His Service and Yours,

We offer these payment plans:

Plan B – 10 months-Aug.2018-May 2019

Plan C – 9 months – Sept.2018-May 2019

Plan D – 11 months – July 2018-May 2019

Scholarships: Need-based scholarships are available for all TCS students in Preschool through 8th Grade.

An independent scholarship organization processes the applications. All personal information on the application remains with the independent scholarship organization. The independent scholarship organization uses our School Board's criteria to send a recommended scholarship amount. We recommend all applicants concerned about financial issues apply for these need-based scholarships.
