

# Friday, May 24, 2019, Extended Care In-Service Camp

Extended Care is offering a special day camp for our students on May 24<sup>th</sup>, 2019 which is a "No School" Teacher In-Service Day. We require a 6-student minimum for the Extended Care program to be open. If we don't receive the minimum enrollment per block, we will notify you Monday evening, May 20<sup>th</sup>, that Extended Care will not be open.

Students should bring their lunch, snacks, drinks and outwear appropriate for the day's weather.

Please fill out the form and send in your **payment**. Your child **will not** be counted in for the day **unless** we receive a pre-payment for this day. We will not deaposti payments until we reach the minimum enrollment. If low enrollment cancels Extended Care, you will be receiving your check back. If Extended Care is **OPEN**, and your child does not attend, there will be **NO REFUND**.
