

MRS. ACOSTA'S
THIRD AND FOURTH GRADE NEWS
(May 14, 2019)

We made it through test week! The boys and girls worked hard. We celebrated with ice cream sandwiches on Thursday afternoon.

Even though we had testing, we started our day with Bible. We learned how God helps us to resist temptation and how He delivers us from evil. We know we can pray with confidence and ask God to help us in these situations. We read 2 Kings 20:1-7. We learned about King Hezekiah and how he asked God to heal him and allow him to live a longer life. God answered his prayer and healed him. King Hezekiah lived 15 more years. God saw the king's heart. God also gave him more than he had asked for. God does that for us, too. We will have unit 5 Bible test on Thursday. We will review on Monday and Tuesday. The students will, also, write the Bible verse from memory on Thursday.

During science we learned about Newton's first law of motion. In social studies we discussed how we interact with our environment. We talked about how we can be good stewards of the world God created.

The boys and girls are writing a persuasive letter. They must decide who their audience will be and their topic. The fourth graders wrote a persuasive letter to Mr. Evensen. Ask a fourth grader the topic of their persuasive letter.

Just a reminder that this Friday, May 17 is the **Walk-a-Thon**. Please be sure your child has turned in the permission slip to walk off the school grounds and send in money for the Kona Ice and hot dogs. Also, please be sure to return the pledge forms on or before Thursday, May 16.

Happy Mother's Day to all our mothers!
Enjoy your weekend!

In His Service,
Debbie Acosta
