

June 3, 2019

Hello Families,

I hope you all have a nice weekend.

I can't believe that this is our last week of school.

This year has gone by very quickly. Thank you

for sharing your children with me this year and allowing me to teach them. I am also very thankful for all of your support and help during this school year. It has been a blessing working with you. Please continue to contact me with any updated information or if you have any questions. Here is what our week will look like:

Bible: We will continue studying Jesus in Gethsemane, Peter Denies Jesus, and Jesus on the Cross. Our Monthly Bible Verse has a Wednesday Quiz

**Ephesians 6:5** Walk in love, as Christ loved us and gave Himself up for us, a fragrant offering and sacrifice to God.

Writing: We will be practicing on what they learned during the school year.

Math: We will be regrouping tens as ones, subtract: 2-digit numbers, practice: 2-digit subtraction, and math facts.

Reading: We will be finishing ***Akiak: A Tale from the Iditarod***. We will continue working on fluency and comprehension. The students will also continue to learn how to silently read and select books that appeal to them.

Science: We are finishing learning about habitats.

Social Studies: We will be looking at ***My Community, My County***.

Spelling: We will be working on Fry words.

Reminders: I would like every child to bring a water bottle to class.

Yours in Christ,

Melanie Capron, 2<sup>nd</sup> Grade
