

Scholarships: Need-based scholarships are available for all TCS students in Preschool through 8th Grade.

[Click here to apply: FACTS Tuition Grant & Aid](#)

An independent scholarship organization processes the applications. All personal information on the application remains with the independent scholarship organization. The independent scholarship organization uses our School Board's criteria to send a recommended scholarship amount. We recommend all applicants concerned about financial issues apply for these need-based scholarships.

In addition, a donor has provided Loyalty Scholarships which provide tuition-free 2nd & 6th grade school for students who attended TCS for the 2 years before entering 2nd or 6th grades. (See Below)

Students entering second and sixth grade may receive a tuition-free year with the TCS Loyalty Scholarship. Children who attended Trinity Christian School for two full years prior to the 2nd and 6th grade years receive those school years free. Second grade recipients of the Loyalty Scholarship must have attended TCS for the entire Kindergarten and First Grade years. Sixth grade recipients must have attended TCS for the entire fourth and fifth grade years. Otherwise, the donor has put no other restrictions on his gift.

The TCS Loyalty scholarship will allow eligible children to attend TCS tuition free for the 2nd and 6th grade years. Parents are required to follow the process below:

1. Students must be fully registered with enrollment application completed and registration fee paid.
2. Parents must complete the PSAS scholarship form and mail with \$20 fee.
3. TCS will notify parents by mail of their initial scholarship award, with the remainder of the tuition being paid through the Loyalty Scholarship Fund.

We thank our loving God and our generous donor for providing families tuition-free Christian Education excellence to families who evidence loyal support for our Christian School.
