

August 13, 2019

Dear Second Grade Families,

I hope that you are all having a wonderful summer. I can't believe that it is already August. I look forward to working with your children this year and watching them grow.

Instead of meeting individually, we will have an open house in the second grade classroom on August 22, 2019 at 6:00 pm. I will answer any questions that you may have, and you will get a chance to talk with the other families as well.

I will be emailing a weekly newsletter during the school year. Please let me know at the meeting if you would like to add another email address. I will be attaching the weekly spelling list to the emails, so that you will have a copy at home. The students will also be bringing home a paper copy of the spelling list on Monday.

We will be working on a project at the beginning of the school year. The project will be involving boxes of varied sizes, egg cartons, and paper towel rolls. Please bring in any boxes, egg cartons, and paper towel rolls for open house or the first day of school for the students to build with.

Please let me know during the school year if you have any questions or inform me of any changes for your child. I look forward to meeting with you!

In Him,

Melanie Capron
