

Saturday, March 14, 2020

Dear Trinity Christian School Families,

As we all have been praying, watching considering, debating, waiting, communicating, and praying, about what procedures are needed to gain the best efforts to reduce the COVID-19 pandemic's impact, we have been getting Federal CDC, New Hampshire State DOH, SAU29, and public news reports. Considering the need for good stewardship in reducing its spread:

**Effective this Monday, March 16 through Friday, March 27, 2020,
Trinity Christian School will be closed.**

If you have any personal and school belongings that you need to pick up from the school, we ask that you send an e-mail or call to let me know to let you into the building Sunday afternoon - Tuesday afternoon. principal@tcskeene.com

March 16-March 20, only administrators and teachers will be at school.

During this time, we will finish our student-learning packets for parents to pick up and procedures for Middle School Online Remote Learning. Teachers will contact you to arrange times for you to pick up their students' learning packets. As part of the Middle School remote learning procedures, we'll confirm what access the students have at home to receive our lessons and communicate students' questions and teachers' directions to each other. Look for an e-mailed survey on to confirm these remote communication capabilities tomorrow afternoon, Sunday.

We recognize that this will be extremely difficult for most of our families and for our community as a whole. We share in the concerns that this disruption to the school year will cause. Thus, we'll keep communicating to you our efforts for these next 2 weeks and for the remainder of the school year.

We thank you for your communications and for your understanding. Please keep heart and faith, keep praying, and keep communicating.

Yours in Christ,

George Evensen, Principal

Office: (603) 352-9403
