

Welcome to Trinity Christian School 3rd – 4th Grades!

Welcome to our classroom! It is a blessing to be a member of the team at Trinity Christian School. If you haven't visited our school, please contact the school office for a tour. You will be impressed by Trinity's students, staff, volunteers, and families.

The third and fourth grade classroom is a busy, active learning environment. The students are engaged in Bible, math, language arts, science, social studies, art, music, physical education, and technology classes. Our curriculum is Christ-centered. Students participate in whole group instruction, as well as small group center activities and partner work.

As members of our school community students learn to problem solve, express thoughts and ideas in a constructive manner, encourage and support others, and are provided opportunities for choice and leadership roles. Students learn to look beyond themselves and our classroom into the larger community and the world.

I will be contacting families during the week of August 10 to set up a time to visit our classroom. Students will be able to see the room, bring in their school supplies, and ask questions about the up-coming year.

If you would like to become a member of our school family, please let us know. Blessings on your summer!

Proverbs 22:6

*Train up a child in the way he should go;
Even when he is old he will not depart from it.*

In His Service,
Debbie Acosta
