

September 18, 2020

Hello parents!

We are well into the swing of school, and thankfully students are remembering what that means.

There is a lot of learning and relationship building going on, and it's looking good so far. I'm very proud of them all.

. Scholastic Last Call

If you plan to order books for your student to read, tomorrow is the last day to order until October. Use this link to order online: <https://orders.scholastic.com/Q9J2T>

. Prayer Requests

Traditionally, students are welcomed to pray for their families during chapel in our "prayer line." Unfortunately, due to COVID challenges, we are unable to do that this year. We have a solution, though! Students and families are encouraged to submit prayer requests through our prayer request form, found on the Parent Portal and on the Student Portal. Prayer requests can, of course, always be made in person or via email. It is a privilege for us to pray for you and your family.

. Chapel Offering

Trinity Christian School is supporting Feeding Tiny Tummies, a local organization that provides food for children in need in the Monadnock region. Please see the Parent Portal for details!

. Planner Reminder

Just a reminder that planner checks are tomorrow, with prizes being awarded to students whose planners are complete. I encourage all parents to help their students by checking over their planner; the assignment checklists are a great way to make sure everything is included. Checklists are on the Parent Portal and on the Student Portal.

. Book Talk

Book talks are simply oral book reviews (they tell the class about a book they've read, but leave the story at a cliffhanger). Those will be due in October. Please make sure that your student is currently reading a book that will be their book talk book, especially if he or she is a slower reader. This can't be a book they've read over the summer! This should be no surprise to them.

That's all for now! Please be sure to head over to the Parent Portal for details, links, and everything else you need to know.

Take care!

Mrs. Grant
