

The Kindergarten Buzzzz.....

September 2, 2020

“Let the children come to me.” Mark:10:14

I am so delighted to be back in school with eager, excited children. They are happy to be together and love being busy workers. Our Bible verse this month (above) are Jesus words but they echo exactly how I feel. I pray we stay “in person” and healthy.

The first few weeks of September we will be entomologists and focus on the amazing insects God has created. During this time your child may bring in anything “buggy” to share, as often as they want. This includes insects, books, drawings, toys, or creations. Anything insect goes, no arachnids please. 😊

This year I will be trying to spend a portion of each week having lessons outside, while the weather permits. “Outdoor School” will begin next Friday, September 11, when we will spend about an hour in nature. Children come to school with long pants, no shorts or skirts that day. We tuck our pants into our socks and out we go. Uniforms are not required that day, they will get dirty so old shoes are great. I will leave the clothing choice to you, however sneakers are required. We will get dirty, we will learn and we will have fun!

Please know I love to talk with you about your children but I can’t do it when I have children waiting for me. The best time is at the end of the day after my class is dismissed. You can also drop me a note or email anytime. Please let me know if there is anything going on with your child that may affect their day.

In Kindergarten we have what is affectionately called the “Hoppy Helper”. It is a child who will be my special helper for that day. They lead the pledge and prayers, take mail to the office, do all the calendar jobs, lead our line, turn lights off and on, help pass out supplies and generally become my right hand.

Please add these dates to your calendar:

- Sept. 7 NO SCHOOL (Labor Day)**
- Sept. 9 SCHOLASTIC BOOK ORDERS**

Please know you are always welcome at Chapel. It is at 10:45 every Wednesday and you may to sit with your child. I will send home offering envelopes with the monthly newsletter. Please put your child’s name on the envelop. Watch the school newsletter for where the offering is going.

Thank you for all your help with the dress code. Polo shirts and matching solid color socks are areas we need to improve on. As the cold weather approaches, keep in mind the children must have *solid* color sweaters or sweatshirts to wear in the classroom. If you would like to leave a sweater or sweatshirt at school for them simply leave it on their hook. Don’t forget to check the hall closet for free clothes.

Today you are receiving our share calendar. When it is your child’s turn they may bring something to school they want to share. Please no weapons or frightening things.

I am looking forward to a great year!

Mrs. Cobb
