

# Mrs. Riendeau's 1<sup>st</sup> Grade Class Newsletter

October 17, 2020

Trinity Christian School, 100 Maple Avenue, New Hampshire, 03431 (603) 352-9403

The first graders enjoy books very much.

We are fortunate to have a wide variety of topics.

The students can relax with free reading time.

They like to show their friends interesting pictures.

Notes: Scholastic book orders are due.

I will submit the order Saturday Evening - in case someone would like more time.

Vision screening permission slips went home today. This free service, offered right here at TCS, is very helpful for identifying some vision concerns. If interested, you may return the permission slip next week.

\*A Visitor: Pastor Harkey visited us this week. We presented him with a giant pastor appreciation card signed by the whole school. The first graders shared their words of appreciation with pastor.

We invited pastor to recite our fall poem which included the opportunity to throw some silk leaves up.

It was fun!

Have a wonderful weekend!

AnnMarie
