

November 19, 2020

Hello Families,

Brrrr, it is a cold day!

We did not go out to play today.

The children had a good time playing indoors.

I am amazed at their creativity and imaginative ideas.

We have been learning about the Native Americans

The students chose a Native American name.

We greeted each other with that name at a morning meeting (Pow wow) .

This week, we are learning about the Pilgrims and their trip across the ocean to North America. Today, they wrote about what they would bring on the trip - if they could bring one thing.

I hope to bring them on a virtual field trip to the Plimoth Plantation this week.

Notes:

* Kid Sight exam results went home today.

Mr. Weidler says that the kids (tested) had no concerns.

* Book bag borrow - Kiddos have been enjoyig taking the Accelerated Reader quizzes for points and growing a flower incentive.

* Friday is library return day- it sneaks up on us.

* Sliders: We are reading and spelling words with "slider sounds". ing, ang, ong

* Custodian compliments: The TCS custodian has been leaving first grade notes to compliment the students on keeping a clean room. The students are learning to appreciate our community helpers. They are proud for doing their part to be helpful in our community.

Have a blessed evening,

AnnMarie
