

Basketball Anyone?

December 28, 2020

Dear Parents of Our Savior’s 5th – 8th Graders,

We’re trying to organize Middle School Basketball Teams for the December – March Basketball Season.

Please ask your beloved offspring whether they’re interested in joining the girls’ or boys’ team. Both teams will practice together unless we have large numbers (greater than 9 in each group).

Students do not need previous basketball experience, nor do they need to be coordinated. Students do need to have a “I want to learn new things” attitude.

Students do need a desire to represent Trinity Christian school and to keep their class grades up. They do need to enjoy “getting better” no matter what level they are.

We’ll practice 3:30-4:30 pm Tuesdays and Thursdays.

Please return this form by their first practice.

Yours in Christ,
Mr. Evensen, Coach
