

November 23, 2020

Hello Families,

I hope you all have a wonderful weekend.

Next week, we have only 2 days. Here's the plan.

Bible: We will be studying Johnathan Warns David.

Monthly Bible Verses: (God says,) "You will call upon Me and come to pray to Me, and I will hear you." Jeremiah 29:12

Beloved, if God so loved us, we also ought to love one another. 1 John 4:11

Writing: The students use their morning journals twice a week. I will introduce more grammar games. We will go over writing a list, compare and contrast, complete and incomplete sentences, common and proper nouns, action verbs, summarizing and organizing information, sequence, helping and linking verbs, subject and predicate, adjectives and alphabetical order.

Math: We will be learning about greater than and less than, compare 3-digit numbers, and work on math facts.

Reading: We will be working on reading with friends, listening, and comprehending. The students will work on silent reading and selecting books that are a good fit for them. We will be finishing Tell Me, Tree. Each story we will read as a class, listen on a CD, and read silently. We will learn the new vocabulary words that go along with the story. We are also learning about fantasy and reality.

Science: We will begin learning about invertebrate animals.

Social Studies: We will be looking at Working to Meet Our Needs. If you have any questions about the **NEEDS AND WANTS** project, please let me know .

Spelling: We will be practicing and testing the fry words that we have had as spelling words. They will need to be able to write the verse out at the end of every month for a Bible quiz.

Vocabulary: trunks, sprouts, limbs, minerals, and stems

Reminders: I would like every child to bring a water bottle to class.

In Him, Mrs. Capron
