Wow! What an awesome day we had together! The students were greeted with a 100-day sticker, and a crown to decorate. They did laps and played tag in the gym, and enjoyed a freeze-dance body break.

They could choose 100 theme centers or enjoy some crafting at their desks. Some students drew how they would look at 100 years old!

The kids had P.E. today and Art. They always enjoy P.E. and they are enjoying their new Art teacher, Mr. Silegy.

As a very special treat, Mr. Weidler arrived with a cheese pizza and a new water bottle to congratulate the kids on their goals to do good deeds. All of the students succeeded!

I am sure they will continue doing good deeds for the good feeling that they get. Have a happy 100-Day evening! Tomorrow - we have more celebrating

with an afternoon Valentine's Day party.

Notes: TCS library book returns - if students would like to borrow another book.

Blessings, AnnMarie
