

## TUITION ASSISTANCE

Trinity Christian School understands the desire for families to give their children a wonderful Christian education while trying to balance the economic sacrifices that decision might entail. While we think that sacrifice is always part of the decision to choose private education, we do not want this to either hinder families from sending their children to TCS, nor do we want to see families enter into overly taxed financial situations where basic necessities or financial security might be jeopardized.

TCS uses FACTS Grant & Aid Assessment as an independent aid application assessment company. They will be responsible for examining all tax and financial documents and income statements and will generate recommendations based on those figures. From there the TCS Tuition Assistance Board will examine the FACTS recommendations and distribute aid accordingly. Once this has been decided, a letter will be sent home with the expected tuition payment, minus any aid.

In order to be considered for financial aid you must go to [www.factsmtg.com](http://www.factsmtg.com) and fill out the application in its entirety. Financial Aid cannot be awarded until this form is completed. There is a \$35.00 fee charged by FACTS for the application process. If you have any questions or do not have access to the internet, please contact the office at 603-352-9403.

Thank you!
