The mission of Trinity Christian School is to provide students with an academically excellent, Christ-centered education and the Gospel message of our Lord and Savior Jesus Christ.

2020-2021 Theme: **"Sent to Serve"**

"The Son of Man came not to be served but to serve, and to give his life as a ransom for many." (Matthew 20:28)

COVID Adjustments

As we've been blessed through this school year to have in-person classes, we also know that the COVID-19 threat has not disappeared. We appreciate all the sacrifices parents have made to care for children when we've cancelled classes to give time to check a present threat. We also appreciate all the families who've informed us they're keeping their child at home because of a runny-nose, headache, stomach ache, fever, incomplete upcoming class assignment, and other factors. We appreciate when parents recognize that the New Hampshire Department of Health and Human Services explicitly tell us to not share names of people who are testing positive or sent home because of some symptom (respecting their privacy). We especially appreciate your prayers and support this year. We thank you one and all!

Middle School Play Possibly Rescheduled

Our middle school play is scheduled for Wednesday, April 21, but we have several technical issues and other factors that are leading us to consider rescheduling the event to a later date, possibly sometime in May. The 5th-8th graders have been practicing, and they'll have several after-school practices; as stated previously, we'll have the play in the church and/or online.

Wednesday Chapel Offerings

Our 2nd semester chapel offerings are designated for the Kenya **Capstone** family project for reuniting run-away children with their families.

3rd-8th Outdoor Education Here – Thur. April 15th

This coming Thursday, Nature's Outdoor Classroom (from Freedom, NH) will be having outdoor class experiences for small groups of 3rd-8th graders.

Students should bring Closed-toed shoes, Backpack, Full water bottle, Extra layers of clothing, Pencil and Notebook, Optional: sunscreen, bug spray, personal hand sanitizer. We highly recommend the bug spray.

PTFA Spring Yard Sale - April 24th

Friday, April 23, parent volunteers will be setting up for the April 24th Saturday Spring Yard Sale in the gym. We need many parents and hard-working students to help set this up, conduct the Saturday event, and help clearing out the leftovers and cleaning the gym after 12 noon that Saturday. We've seen that "Many Hands Make Light Work", so please let the PTFA know what times you can help (we don't expect you to be here all Friday and Saturday).

Contact the PTFA Board and let them know at tcs@tcskeene.com.

2021-2022 Tuition Assistance – Apply Now

Our generous donors established a Tuition Assistance fund. We have begun allocating the 2021-2021 assistance based on the applications made through FACTS Management company.
