

June 1, 2021

Hello Families,

I hope you all have a wonderful long weekend. When we return, we'll finish out our school year with several wonderful experiences.

We will watch **Stuart Little** as a class. I will give them some snacks that have been left over from other activities.

**Bible:** We will be learning about Zacchaeus and taking a unit test.

**May Bible Verses** - Little children, let us not love in word or talk, but in deed and in truth. 1 John 3:18

Heaven and earth will pass away, but My words will not pass away. Matthew 24:35

**Math:** We will work on estimating differences, subtract money, missing numbers, problem-solving: subtraction, problem solving graphs, and reviewing math facts. We will focus on what math we learned this school year.

**Writing:** The students use their morning journals twice a week. I will introduce more grammar games. We will go over writing a list, compare and contrast, complete and incomplete sentences, common and proper nouns, action verbs, summarizing and organizing information, sequence, helping and linking verbs, subject and predicate, adjectives, open and closed syllables, plurals, synonyms, antonyms, possessive nouns and pronouns, pronouns, conjunctions, compound words and alphabetical order.

**Reading:** We will work on reading with friends, listening, and comprehending. We will be doing some buddy reading and we will read the first story of the America's People unit.

**Spelling:** Fry words

**Science:** We will continue our study on Energy.

**Social Studies:** We are still looking at The World Around U.

**Reminders:** Every child should bring a water bottle to class.

Thank you for all your support in our in-person journey this year!

In Him,

*Melanie Capron*
