To help our students' parents, our Extended Care program provides student care **7:00 - 8:20 am** and **3:10 - 5:30 pm**.

During the morning sessions, students may have breakfast or a healthy snack that they bring to school that day (please no sugary foods or candy). Depending on the time of arrival, the children may also play some games, do homework, study for tests, read, do some guided projects, talk, and prepare for the school day.

During the afternoon sessions, students have free play time outside (weather permitting) or in the gymnasium (when available). If neither outside nor the gym are possible, they will have extra free play time in the classroom. During the afternoon session they have a "*Quiet Time*" when we ask the students to read or do homework. During this time, the younger children may have some special activity, work on coloring or puzzles, or do an organized project we've planned.

During the afternoon sessions, the students will also have an afternoon snack time. Please send an extra snack from home for your child. If your child comes to our program on a regular basis, please provide some extra snacks for the week or month. We'll provide a box with their name to store the extra snacks.

To register please sign, detach, and submit the attached registration form with a **\$30** (per child) check made payable to ***Trinity Christian School***. The SMART Tuition and Fees Management Company bill according to the tuition schedule you have chosen.
