

18 October 2021

Hello Families,

Please make sure that your child does their spelling homework, and it's ready to pass Wednesday. I heard that they did a nice job with the substitutes on Tuesday. Starting next week, we will have a change to our music schedule. We will have music after lunch on Tuesday instead of Wednesday.

It is 50 cents a week if you would like your child to have popcorn. You may also have your child bring an extra snack. We will be having share on **Wednesdays**. The children can bring in one thing each Wednesday to show their classmates or they can have a talking share. The object will need to be able to fit into their backpack. I hope you all have a wonderful weekend.

Bible: We will be learning about the Journey to the Promised Land, The Snake on the Pole, Jesus Was Lifted Up for Me, and God's People Build a Memorial. They will need to be able to write or verbally say the **Bible verse** by the end of the month for a Bible quiz grade.

Monthly Bible Verse: ***"You shall love the Lord your God with all your heart and with all your soul and with all your mind."*** Matthew 22:37

Writing: The students use their morning journals twice a week. We have worked on common and proper nouns, action verbs, sequence, helping verbs, linking verbs, subject and predicate, capitalization, and making inferences.

Math: We will be taking the unit one test, working on tens and ones, place value, number words one to forty-nine, number words fifty to ninety-nine, and math facts.

Reading: We will be working on reading with friends, listening, and comprehending. The students will work on silent reading and selecting books that are a good fit for them. We will finish reading **Corduroy**. We are finishing our *Kindness* unit and take a Kindness Unit test. The story, spelling, and grammar that go along with it will take at least a week to read and complete. The vocabulary list comes from the story that they are reading.

Vocabulary: escalator, fastened, yanked, palace, and dashed

Science: We are studying the plants and seeds unit.

Social Studies: We are starting to look into ***My Community, My Country***.

Spelling: We will be working on the n sound spelled kn_, the r sound spelled wr_, and the f sound spelled ph. We have spelling homework this week. It will be due on Wednesday.

Please have your child bring a water bottle to class.

In Him, *Melanie Capron*
