

22 November 2021

Hello Families,

We will not have a spelling assignment or test this week. We will have share time on Tuesday this week. Please send your child in with an extra snack. The children can bring in one thing to show their classmates or they can have a talking share. The object will need to be able to fit into their backpack. I hope you all have a wonderful weekend. Here

is what our week will look like:

Bible: We will be learning about *God Calls Samuel*.

They will write or verbally say the Bible verse by the end of the month for a Bible quiz grade.

November Bible Verse: (God says,) **“You will call upon Me and come to pray to Me, and I will hear you.”** Jeremiah 29:12

Writing: The students use their morning journals twice a week. We are focusing on capitalization, descriptive writing, author’s purpose, compare and contrast, kinds of sentences, and complete and incomplete sentences. It seems like complete and incomplete sentences seem to be the biggest struggle for this class.

Math: We are working on bar graphs, surveys, and math facts.

Reading: We are working on reading with friends, listening, and comprehending. The students will work on silent reading and selecting books that are a good fit for them. We will read Thanksgiving stories. The story, spelling, and grammar that go along with it will take at least a week to read and complete. The vocabulary list comes from the story that they are reading.

Science: We are studying vertebrates.

Social Studies: We are looking at My Community, My County.

In Him,

Melanie Capron
