The mission of Trinity Christian School is to provide students with an academically excellent, Christ-centered education and the Gospel message of our Lord and Savior Jesus Christ.

2021-2022 Theme: "In All Things...Christ"

Welcome Back

We've had a snow day our first week of the new year, and we had a "Very Cold Day" today, Tuesday, which needed a 10:30 am delayed start for the day. Nonetheless, we're looking forward to basketball games, running club, activities, the end of Covid quarantines, and our January 24-30 Spirit Week of fun and games while thanking the Lord for our schools.

Education Freedom Account & Children's Scholarship Fund

Seven school families have been awarded Tuition Grants provided by the Education Freedom Fund, which reduces their tuition substantially. We want you to apply.

7th & 8th Graders Game Night – Friday, Jan. 14

This Friday night the 7th and 8th graders will have a game night at school. Starting at 5 pm, we will have pizza, followed by games and dessert. Everything will be wrapped up by 7 pm. I hope your student can come!

I am looking for a couple of parents who would be willing to eat pizza with me and watch the kids have fun being kids. Let me know if you can stay! You will be paid in pizza, laughs, and my thanks. Mrs. Grant

School Store

This week the school store will reopen as a joint effort with Dr. Dresser's Math Class and Mrs. Acosta's 3rd & 4th graders. Money raised goes to chapel offerings.

Popcorn

Popcorn is a different story. Popcorn delivery will restart soon. We need parent volunteers. Every Wednesday, Mrs. Acosta's class and the Parent Teacher Fellowship Association makes popcorn; the money is designated for the library. Obviously, popcorn improves reading!

Keene High School

KHS will be visiting school on Wednesday from 11:15-11:55 am in the library. They will talk to the students about course selections and answer questions they have about the high school. Students will be coming home with a course selection sheet and booklet; please look through the information with them after school. I will outline due dates for all of that later this week.

Students who are remote this week, I will have a remote option! I will send a meeting invite to you via email so you can log in.

Mrs. Grant, Homeroom

2nd Quarter Grading Period ends January 21st

Cancelled PTFA Meeting

The Parent Teacher Fellowship planning meeting has been cancelled. It will be rescheduled after the COVID surge subsides.
