

April 11th, 2022

Hello Families,

I hope that you will all have a nice weekend. Please make sure that your child is still passing in their spelling homework by Wednesday. **We still have popcorn on Wednesdays. It is 50 cents a week if you would like your child to have popcorn. You may also have your child bring an extra snack. We do have share on Wednesdays.** The children can bring in one thing each Wednesday to show their classmates or they can have a talking share. The object will need to be able to fit into their backpack. Here is what next week will look like:

Bible: We will be learning about *Peter Denying Jesus* and *Jesus Dying on the Cross*. **They will need to be able to write or verbally say the Bible verse by the end of the month for a Bible quiz grade.**

Monthly Bible Verse: John 11:25-26

I am the resurrection and the life. Whoever believes in Me, though he die, yet shall he live, and everyone who lives and believes in Me shall never die.

Writing: The students use their morning journals twice a week. We are focusing on adjectives, singular and plural nouns, capitalization, descriptive writing, kinds of sentences, complete and incomplete sentences, plurals, synonyms, antonyms, compound words, contractions, possessive nouns, possessive pronouns, conjunctions, compound sentences, prefixes (dis, un, mis, and mid), suffixes (ly, y, less, and ful), inflectional and comparative endings, irregular plurals, colons, cause and effect, commas in dialogue, and quotations.

Math: We will time the hour and half hour, five minutes, quarter hour, and math facts.

Reading: We started our new reading unit. It is about Courage. We will be reading *The Empty Pot*. The students will work on silent reading and selecting books that are a good fit for them. The story, spelling, and grammar that go along with it will take at least a week to read and complete. The vocabulary list comes from the story that they are reading.

Vocabulary: kingdom, blossom, emperor, courage, tended, transferred, and sprout

Science: We will start the energy unit.

Social Studies: We are learning about *The World Around Us*. **Spelling:** We will be working on the ough words. We have spelling homework this week. It will be due on Wednesday.

Reminders: I would like every child to bring a water bottle to class.

In Him, *Melanie Capron*
