

June 2, 2022

Hello First Grade Families,

We are having some extra games, and free time this week. Today, the students had fun with math center materials - free play.

This week, they wrote the steps to a recipe, then read their recipe to the class during Author's Chair time. They created some Japan crafts with origami, and also sakura (cherry blossoms).

We pray for a sunny afternoon tomorrow for our walking Piazza field trip. Please have your child wear sneakers tomorrow.

We look forward to a fun time in fellowship. In case it rains, we'll walk for ice cream on Monday.

Thank you! AnnMarie

Notes: May reading logs are due.

May Bible verses are due.

Noon dismissal on Thursday, June 9th, the final day for K-8 students.
